

## Silent Night

G  
Silent night, holy night  
D            G  
All is calm, all is bright  
C            G  
Round yon virgin mother and child  
C            G  
Holy infant, so tender and mild  
D            G            D            G  
Sleep in heavenly peace, sleep in heavenly peace

G  
Silent night, holy night,  
D            G  
Shepherds quake at the sight  
C            G  
Glories stream from heaven afar  
C            G  
Heavenly hosts sing alleluia  
D            G            D            G  
Christ the saviour is born, Christ the saviour is born

G  
Silent night, holy night  
D            G  
Son of God, loves' pure light  
C            G  
Radiant beams from thy holy face  
C            G  
With the dawn of redeeming grace  
D            G            D            G  
Jesus Lord at thy birth, Jesus Lord at thy birth
